Supplementary Immunization Activities

June SNID Campaign

The June Sub-National (SNID) Polio vaccination campaign has been conducted in 59 districts and in progress in 12 districts.

The campaign in district Chaman has been postponed due to ongoing situation in the district.

A total of 72 districts were included in the scope of the campaign including 9 districts of Punjab, 19 districts of Sindh, 23 districts of KP, 20 districts of Balochistan, and Islamabad.

As per the data reported by the districts so far, 17.01 million (93%) children have been vaccinated against the total target of 18.2 million children.

- 7.0 million (87%) children vaccinated in Punjab
- 5.2 million (98%) children vaccinated in Sindh
- 3.5 million (100%) children vaccinated in KP
- 1.8 million (94%) children vaccinated in Balochistan
- 3,782 (114%) children vaccinated in Islamabad

The reported still missed children are 653,656 (3.6% among total targeted children):

- 557,481 (3.1%) children are Not Available (NA)
- 53,104 (0.3%) children are Refusals
- 43,071 (0.2%) children are leftover

Surveillance

Three new polio cases were reported during the period, with one each from district Killa Abdullah, Shikarpur and Quetta.
